## *The story thus far:*

After the arrival of aliens in New York City, several xenophobic political organizations form to thwart the intentions of the otherworldly visitors. Unfortunately, Michelangelo is spotted in a crowd and mistaken for an alien, creating serious problems for both the ninja and the outer space ambassadors. While trying to escape angry mobs of militant humans, Mike is befriended by the Utrom named Klag and the two do what they can to ease the cross-species tensions that are quickly reaching a boiling point.
